klrkt wrote on Sun, 23 May 2010 00:58yes - I want to translate T++ to HTML "automagically"

Let me some days and I will show you something.

klrkt wrote on Sun, 23 May 2010 00:59ALSO

create HTML pages from my source code

- without T++

Really it is almost the same as T++ and QTF are also almost the same.
