Subject: Re: Anybody still knowing anyone using Win98? Posted by styla786 on Wed, 14 Jul 2010 08:57:07 GMT View Forum Message <> Reply to Message

my brother still operates with windows 98. When I visit him, he shows me his web space info, I just look at him and slowly shake my head. he said well it still works good, so yes they are out there.

but he is comfortable with it.
