Mirek

nope.....

In file included from /usr/include/GL/glx.h:336,

from /home/massimo/sources/upp-svn/uppsrc/GLCtrl/GLCtrl.h:15,

from /home/massimo/sources/upp-svn/MyApps/GLControlTest/main.cpp:2:

declared in this scope

GLControlTest: 1 file(s) built in (0:00.98), 983 msec / file, duration = 3828 msec, parallelization 100%

Which Ubuntu version do you have ? Did you latest updates ?

Max
