koldo wrote on Fri, 17 September 2010 04:39Hello Mirek

Here I enclose you the pending changes taking into account:
- your last svn (with new GetDPI() and SetDPI)
- your comments in previous post

The demo posted before is fully valid as changes have been internal.

Much better now, thank you, commited.

(I guess the reduced number of submitted files is a good indication of the validity of my complaint
