Subject: Re: Protect package - A starting copy protection system Posted by mdelfede on Fri, 08 Oct 2010 12:10:13 GMT View Forum Message <> Reply to Message

Hi Koldo,

I'm quite busy on these days, but I'm developing an SCGI solution alternative to PHP one. So, I'm working on SCGI and dolik-rce on PHP, we'd like to post both with a common interface. I guess we'll need a couple of weeks or a bit more... not too much time on these days

Ciao

Max
