Subject: Re: VC10 not recognized in autosetup
Posted by andrei_natanael on Sat, 09 Oct 2010 08:53:03 GMT

Hello Bonami,

I've installed VSEE2010 and hopefully fixed autosetup. I've committed a patch and the result should be visible in next ide release, tomorrow. If you can't wait until then you may build it from svn.

I've also committed a fix for TDM-MINGW auto-setup.

Andrei
