koldo wrote on Sun, 17 October 2010 10:52Hello Seven

I do not remember to do it in a command line program, but if you want to do it in a GUI program including keyboard we can help you.

Hi Koldo,

Svens message is 4 years old, I don't think he expects answer Also kryolit0 seems to be a spambot... Or a rude person, but I prefer the bot
