[View Forum Message](#) <> [Reply to Message](#)

luzr wrote on Wed, 03 May 2006 08:51Possible?

Mirek

Yes, it is. In that case:

Quote:

All Message Forum Notification:

If enabled, subscribers to a forum will receive notifications about every new message in the forum, rather than just new topics in the forum.

This is one of the reasons why I have been restructuring our forums and making some smaller pieces, otherwise users would have received A LOT of e-mails. But from now I'm enabling this feature. So, the users must be just more careful to what they subscribe...
