kohait00 wrote on Tue, 07 December 2010 09:59this should speed things up a bit, isn't it?

Tuple.h:30, 65, 102

```
Tuple3<A, B, C> r = { a, b, c };
```

instead of

```
Tuple3<A, B, C> r;  
r.a = a;  
r.b = b;  
r.c = c;
```

Sorry, but nonsense. No speedup, and there are (AFAIK) some pretty restrictive rules about {} initialization in C++...
