Hi Honza

dolik.rce wrote on Tue, 12 April 2011 08:18

Does this clarify it?

Best regards,
Honza

I think it does. Whatever else was updated may have required the update.

I didn't mark anything in the lde to keep a version number.

I am just leaving for a few days (no internet) and it's good to have the help that comes with Upp now.

Thanks
Neil
