If there is no other place yet it would be great to put it in Functions4U .

Koldo,

I have attached the package where I made testes.

This is not the final version. I did not made autolevel for color images.
I can prepare and attach the final version.

If you want to test this, do not forget to set tif version which I uploaded to:
 http://www.ultimatepp.org/forum/index.php?t=msg&th=6004& amp;start=0&

```
