mr_ped wrote on Mon, 15 May 2006 03:26 Will you announce also on the main page this time? Like 602 RC? Or is it still too early and you expect more bugs to pop?

Yes, I will. I hope this is stable enough to be renamed to 605 later... because it is time to finally start with the new Image (605 is maintainance release with original raster image infrastructure).
