jibe wrote on Thu, 26 May 2011 11:02 Just one little thing : after changing something with the context menu, we go at the top of the list... Better if we can stay in place, but maybe it's too difficult to do for something not very important...

I agree, it was annoying. It should be fixed in 3462, but I'm not really happy with the solution, so if anyone knows better suggestions are welcome

Honza
