Here is a .zip of that package ~2MB.
http://www.nlneilson.com/apps/GUItiler.zip

I think ScanDatasetR is the list of files that will be tiled.

Forgot to mention this links to FWTools 2.4.7 /include and /lib
http://fwtools.maptools.org/

and also in INCLUDE directories
C:\MyApps\GUItiler\win32dummy
C:\MyApps\GUItiler\win32dummy\sys
