kroplniczki wrote on Sun, 05 June 2011 16:36Pls,

How to set a GridCtrl header font size?

```
mygrid.AddColumn("my grid col").SetFont(Arial().Height(8));
```

I've added SetHeaderFont(). Try this code:

```
mygrid.AddColumn("my grid col").SetHeaderFont(Arial(25));  
mygrid.SetRowHeight(0, 40);
```

I'll add respecting Height() method leater.
