Subject: Re: BUG? or Not BUG? LoadFile(filename) and then getting wrong data
Posted by dolik.rce on Sun, 07 Aug 2011 14:49:22 GMT

Hi David,
How do you check the values? It is quite possible that it gets converted to a signed type while you log them I remmember I hit similar problem a while ago and spent a lot of time debugging correct code

Best regards,
Honza
