## Subject: Re: C++ Parser
Posted by unodgs on Tue, 25 Oct 2011 12:27:29 GMT

I did some further work on integration of clang and code editor. Here's the result

When I fix some bugs I will upload binaries here so everybody could see how it works.
I'm also trying to parse all the upp project functions/methods. When it's ready I'll publish the results about accuracy and speed of parsing. Anyway for now clang seems to be quite promising.
