fudadmin wrote on Tue, 25 October 2011 11:46I have been also working on the ide upp Cpp code parsing and browsing improvement alternative and also using GridCtrl .

That's a great news! Could you share your sources?

Quote:I tried to use clang for compiling upp on mac but it didnt work. Are you able to compile upp with clang?

On win64 clang exploded during compilation one of the upp's package (I used svn version not a stable one). But I'll keep on trying
