Subject: Re: U++ and Managed c++ /clr Posted by Sender Ghost on Sun, 06 Nov 2011 06:12:14 GMT View Forum Message <> Reply to Message

Hello, Conrad.

I didn't try up to this moment, but this is definitely possible with knowledge of how TheIDE works.

- Open "Setup -> Build methods.." menu and duplicate existing MSC builder method.
- Remove "-GS-" from Optimize for speed and Optimize for size compiler options.
- Select Shared libs for Release and Debug mode defaults.
