Wolfgang wrote on Thu, 05 January 2012 16:20hmm tried to add u++ to my sources:

sudo apt-add-repository ppa:dolic-rce/upp

but i get an error:
Error reading https://launchpad.net/api/1.0/~dolic-rce/+archive/upp: HTTP Error 404: Not Found

....
You just have a typo in the PPA name It is dolik-rce/upp, with k
