Hi guys,
here my little problem...
Is possible to change background color in Editfields?

```
verifica1 = ( 2 * (double)~alzataEdit ) + pedataEdit ;
```

how can i put a green background for $62 \leq \text{verifica1} \leq 64$ and a red one for $\text{verifica1} > 64$ or $\text{verifica1} < 62$?

Regards,
Matteo
