Hello guys,

I'm here again with a new little problem!

Is it possible to make a window Sizeable only ?!  
using

```
CtrlLayout(*this, "Scala");  
Sizeable().Zoomable();
```

my windows is correctly sizeable and zoomable... i would like to have an only sizeable window but with

```
CtrlLayout(*this, "Scala");  
Sizeable();
```

nothing happen

regards,  
Matteo
