Hello guys,
I'm here again with a new little problem!

Is it possible to make a window Sizeable only ?!
using

```
CtrlLayout(*this, "Scala");  
Sizeable().Zoomable();
```

my windows is correctly sizeable and zoomable... i would like to have an only sizeable window but
with

```
CtrlLayout(*this, "Scala");  
Sizeable();
```

nothing happen

regards,
Matteo
