Hi) I wan't to lern U++, i alredy know smth. about console C++, but now i'm realy don`t want to work with C# or .NET, and in my University i must do some task using OpenGL. How can i make program like this using Upp:

I mean just how to put Display into form,and controll it using buttons) how to draw image using OpenGL i know)

I saw some Examples, but without forms)

thnx for reading)

Sory for bad Eng.
