
Subject: Jsonize problem with Null

Hello Mirek

This problem launches a NEVER() in ValueType:

```
Vector<Value> a, b;  
a.Add();  
String json = StoreAsJson(a);  
LoadFromJson(b, json);  
json String is set to "[null]".
```

It seems that while StoreAsJson() can save Vectors with Nulls, LoadFromJson() is reluctant to them.
