Subject: Re: What does these compiler messages means? and how to fix them?
Posted by navi on Thu, 05 Jul 2012 11:45:46 GMT

Hi koldo,

I have clean "rebuild all" the Sysinfo_demo_gui and the Sysinfo_demo_console project from Bazaar. I got same "duplicate section" message for the Sysinfo_demo_gui project. but no such message for Sysinfo_demo_console. I have attached both set of compiler messages in the 7zip archive below.

Thanks & Regards
Navi
