As far as I know U++ sets up automatically for VC++ 2010.

The new VS 2012 Express for Desktop is out:

[http://www.microsoft.com/visualstudio/ptb/downloads#d-express s-windows-desktop](http://www.microsoft.com/visualstudio/ptb/downloads#d-express-windows-desktop)

It works with Windows 7 also.

Time to upgrade U++.
