Hello @ all,

can we add "InsertButton" to DropChoice ?

File "CtrlLib/DropChoice.h"

in public section of

template <class T>

class WithDropChoice : public T {

...

}

add near MultiButton::SubButton& AddButton()
the following

```
MultiButton::SubButton& InsertButton(int i = 0)    { return select.InsertButton(i); }
```

So that it works like DropList/MultiButton...

Thank you
Ralph
