Hello, Neil.

nlneilson wrote on Wed, 05 December 2012 14:32I have a small console app done in M\$VC. Can it be converted to U++?

It's possible to build Managed C++ with U++ TheIDE.

Just add "-clr" compiler option to U++ package with managed C++ source code and use "CLR" build flag for main package configuration.

Changed Ccheck package attached to the message.
