Hello, Neil.
nlneilson wrote on Wed, 05 December 2012 14:32I have a small console app done in M$VC.
Can it be converted to U++ ?

It's possible to build Managed C++ with U++ TheIDE.
Just add "-clr" compiler option to U++ package with managed C++ source code and use "CLR"
build flag for main package configuration.

Changed Ccheck package attached to the message.
