```
#include <CtrlLib/CtrlLib.h>

using namespace Upp;

struct mywindow : TopWindow{
    mywindow(){
        HCenterPosZ(500).VCenterPosZ(600);
    }
};

GUI_APP_MAIN
{
    mywindow m;
    m.Run();
}
```

Even the simple code above fails gloriously in MSC9 with the following error!
