Mirek, It appears that you forgot to update operator() in http class.

Line 93 in http.h:

```
Http& operator()(const char *id, const char *v) { var.GetAdd(id) = v; return *this; }
Http& operator()(const char *id, const String& v) { var.GetAdd(id) = v; return *this; }
Http& operator()(const char *id, const Value& v) { var.GetAdd(id) = v; return *this; }
```
