Subject: [SOLVED] Compile on 64 bits on linux
Posted by BeNJiBoY on Sat, 06 Apr 2013 08:03:55 GMT

Hello guys !
Does anyone know how can i compile theide on 64bits ?
Because my Theide is compiling on 32 bits and i have got 64bits
I didn't find where do i have to do it ...

Thank you !
