Subject: Re: Upp GUI size in Win and Ubuntu
Posted by nlneilson on Sat, 11 May 2013 02:41:56 GMT

Thanks Klugier

NOGTK works to keep the GUI the same size.

The instructions were very good but showing the pull-down where NOGTK is actually picked may help.

I will still tinker with SetStdFont(Font font) as Sender Ghost mentioned and the Z zoom.
The horizontal lines between the EditFields I can tinker with.
