I suggest u ask Mirek for advices.

If u don't want to wait, u might add the following few lines to `upp/CtrlLib/Buttons.h`

```
#define IMAGECLASS CtrlsImg
#define IMAGEFILE <CtrlLib/Ctrls.iml>
#include <Draw/iml_source.h>
```

and remove(or comment out) the same few lines from `upp/uppsrc/CtrlLib/ChWin32.icpp`
