Subject: Re: Encrypted storage with streaming (OpenSSL, AES)
Posted by Alboni on Thu, 22 Aug 2013 23:59:31 GMT

Hello, is AESStream compatible with php ?
http://www.php.net/manual/en/function.mdecrypt-generic.php

I can't decrypt my messages using
http://aes.online-domain-tools.com/

(AES with 32 byte key in CBC mode)

Also I'm quite confused that there is no AES_decrypt() call anywhere in AESDecoderStream?
