Thx Honza

Tried it, result:

```
slashupp:~/upp_tar_6715_nogtk/upp-x11-src-6715$ make -f ../mkfile PKG=ide FLAGS=".NOGTK  
GUI GCC"
```

```
Extracting parser...

```

```
0inputs+0outputs (0major+290minor)pagefaults 0swaps
```

```
/bin/sh: 5: Syntax error: "then" unexpected (expecting "done")
```

```
make: *** [do-build] Error 2
```

Any advice?
