Hi,

After recent changes in core of Upp, TheIde (r.7051) started crashing:

* /home/zbych/Pulpit/theide 18.03.2014 15:44:34, user: zbych

****************** ASSERT FAILED: Assertion failed in /home/aqq/upp/uppsrc/Core/Vcont.h, line 34
Broken rval_ semantics
