Subject: [BUG] TheIDE - new layout of "Build Method" window has some misplaced items.
Posted by Oblivion on Tue, 01 Apr 2014 22:40:36 GMT

Hello guys,

"Release Mode Defaults" in the new Build Method window has incorrect layout
(Tested under Linux with U++ Nightly r7129, with both X11 and GTK flags.
(See the screenshot below).

Regards.
