## Subject: [NEW FEATURE] IDE now supports raw diff/patch files highlight Posted by Klugier on Tue, 09 Sep 2014 20:12:57 GMT

View Forum Message <> Reply to Message

Hello,

I would like to annouce that IDE now supports raw diff/patch files highlight. It is fully customizable from environment settings.

Preview:

P.S.

It is available for revision/version 7650 and up.

Sincerely, Klugier
