Subject: [NEW FEATURE] IDE now supports raw diff/patch files highlight
Posted by Klugier on Tue, 09 Sep 2014 20:12:57 GMT

Hello,

I would like to annouce that IDE now supports raw diff/patch files highlight. It is fully customizable from enviroment settings.

Preview:

P.S.
It is available for revision/version 7650 and up.

Sincerely,
Klugier
