Hi,

Moving the call to Highlight(NULL); three line after, in the constructor of CodeEditor resolve this issue.

CodeEditor.cpp, line 970:

replace:

```
Highlight(NULL);  
barline = true;  
sb.WithSizeGrip();  
DefaultHIStyles();
```

by:

```
barline = true;  
sb.WithSizeGrip();  
DefaultHIStyles();  
Highlight(NULL);
```

Thanks.
