That's weird, I have just tested with

```
#include <CtrlLib/CtrlLib.h>
```

```
using namespace Upp;
```

```
GUI_APP_MAIN
```

```
{  
    GUI_PopUpEffect_Write(GUIEFFECT_NONE);  
    DropList dl;  
    for(int i = 0; i < 100; i++)  
        dl.Add(i);  
    TopWindow w;  
    w.Add(dl.LeftPos(10, 150).TopPos(0, 20));  
    w.Run();  
}
```

and it seems to work just fine.

Are you doing any chameleon stuff?
