May-06 2,381 1,304

Apr-06 2,386 1,671 <<==== vcf article 04-26

Mar-06 4,470 738

but where did the rest of the difference from $4,470 - 2,386 = 2,084$ go in April from U++?

BTW, I assume that U++ have 711 users (downloads between releases)
