zsolt wrote on Thu, 10 August 2006 19:03I have implemented it. I don't know if this is a good interface or not, but I hope so.

I do not like it too much, but I am unable to invent anything better

Well, in fact, what I would like to have is to make this compatible with Oracle somehow. Well, I believe, with "Limit" it is simple - ignoring in oracle is all we need.
