koldo wrote on Tue, 03 November 2015 09:35Two problems found:

- Packages only for Windows
Solution: #ifdef _WIN32

Well, I have "exclude" list too, so I can put these there.

List would be helpful though...

Quote:
- Packages that use another library. Example: OpenCV
Solution: ¿?

If these libraries are mint/ubuntu packages, I can install them.
