[http://sourceforge.net/project/stats/?group\\_id=93970&ugn=upp&type=&mode=60day](http://sourceforge.net/project/stats/?group_id=93970&ugn=upp&type=&mode=60day)

And, btw, codeproject now is the top 3 referer for arilect after upp.sourceforge and google...  
Thanks for all involved!..

Means you are now believer?

More importnat AFAIK is that the article(s) will stay there for long time. Sure, 150% increase of traffic will not sustain, but even 20% over long time is a huge asset.

I guess that equally important is that this way, U++ will get perception of tool that is actually used...

Mirek

I was waiting for F1 to be fixed (which I still haven't installed...) and for some fishing equipment, if you understand what I mean...
