Subject: Re: U++ Package availability for LinuxMint
Posted by Tom1 on Thu, 28 Jan 2016 09:20:52 GMT

Hi Honza,

Thanks for making it run again! I just installed successfully from nightly ppa.

For making it more approachable for new incoming U++ users, I think the latest stable build (2015.2) should be updated on your PPA too.

Thanks and best regards,

Tom
