Zbych wrote on Sun, 08 May 2016 18:08I tried to compile last version (upp-x11-src-9809.tar.gz) from source but it failed with lack of std=c++11.

Where it should be added?

src/Makefile?

src/Makefile.in?

src/UMakefile?

Sorry, that is a bug in umk. Fixing it now.

Mirek
