mirek wrote on Thu, 09 June 2016 08:05Thanks, you are completely correct.

(BTW, perhaps you have some testing code now - if yes, I can add it to nightly tests, just send it to me).

I do not have special tests for this problem. I spotted it by trying to run an old app.

I've attached another similar patch. I'm not 100% sure about each change, but it looks like I'm right.
